

老師姓名	黃健紅老師
書籍名稱	《The Alchemist》
作者/編者	Paulo Coelho
分享感言（頁一） 	<p>The Alchemist depicts the journey of a young shepherd named Santiago, who pursues his “personal legend” – the path to fulfilling his deepest dreams and desires. After having a recurring dream about a treasure buried at the pyramids in Egypt, Santiago decides to leave his comfortable life behind and embark on an adventure across the Sahara Desert.</p> <p>Along the way, Santiago encounters a series of mentors and obstacles which test his determination and force him to confront his fears and self-doubts. Through these experiences, he learns valuable lessons about listening to his heart, recognizing omens and trusting the mysterious forces of the universe. Ultimately, Santiago discovers the treasure he has been seeking is buried right where his journey begins,</p>

symbolizing that the path to fulfilling one's dreams and deepest potential often lies within, if one is willing to embark on the transformative journey of self-discovery.

The Alchemist's simple yet profound wisdom is encapsulated in one remarkable quote from the book: "And, when you want something, all the universe conspires in helping you to achieve it." After reading this book, I am sure the novel's central themes of following one's dreams, embracing uncertainty and finding meaning in life's journey would resonate deeply with you.
